# GR Bands Tea Fundraiser

We are also doing an Organic Tea Fundraiser. This Fundraiser is 100% online and via an APP.

1. Download the free **Fundmazing** app.

- It's in the Google Play Store (for Android) and the App Store (for iPhone).
- You will need to download the app before you can begin fundraising.
- Once you've set up in the APP, others who don't want to use an app CAN use just a browser with your link!! They can also use their browser at: [app.fundmazing.online](http://app.fundmazing.online) if they prefer to use the computer rather than an APP, or in addition to the APP.

2. Sign up. It takes less than 2 minutes.

- Start by clicking on the Account button. You will find this on the bottom menu.
- Enter your details and pick an avatar.
- And, most importantly, enter your Signup Code. For your fundraiser this is **OWCF-GRB**.

3. After signing up you will see your Account Page.

- Here you will find your personal fundraising link.
- Tap on the copy icon and share your link via text message, social media, or email.
- Remember, this link is attached to your account

When your family and friends receive your link - ask them to download the free Fundmazing app, insert your link, and buy products to support your fundraiser. Again, if they don't want to add an APP to their phone, they can support this fundraiser online at URL: [app.fundmazing.online](http://app.fundmazing.online) Interesting many will put in ".com, etc.". It is ".online".

We wish you every success with your fundraiser and know that we are here to help every step of the way.
