The 2020 Grand Rapids Marching Band Fee Structure, in light of the Covid-19 Pandemic, will be payments based on timelines and guidance from ISD 318, MDE, MSHSL, MDH and NFHS. What does that mean? It means we are planning to only collect dollars as things open up and as the 2020 MB Season takes shape.

### **We are looking at 2 plans at this point:**

**Plan A.** Run Marching exactly as we have in the past. This plan would include a Marching Band Fee of \$500 per person. \$100 Payments per month would be taken as follows monthly beginning July 1 and concluding November 1. All members would have the option of paying the full balance if so choose.

**Plan B.** Run a scaled down version of Marching Band that takes away whatever pieces the various governing bodies deems unsafe. This plan would begin with a \$100 down payment and fee structures would be altered based on what we can and cannot do. If we transition to a Plan B, families will be notified ASAP of the fee structure and be given ample time to adjust accordingly.
